University for Peace est. by the United Nations

27 February 2024

The European Center for Peace and Development University for Peace established by the United Nations (ECPD) – Regional Mediterranean Institute for International Postgraduate Studies and Development Research, in the framework of the ECPD International Program of Transfer of Knowledge System, in cooperation with the Ministry of Health of Montenegro, Ministry of Health and Social Welfare of Republic of Srpska, Ministry of Health of the Federation of Bosnia and Herzegovina, University of Berlin (Germany), VAMK University (Finland), Long Island University (USA), Istituto Superiore di Sanità (Italy), National School of Public Health of Greece, South-Eastern Europe Health Network (SEEHN), World Heart Federation (WHF) and European Association for Cardiovascular Prevention and Rehabilitation (EACPR), organizes

## **XV ECPD INTERNATIONAL SUMMER SCHOOL ON CARDIOVASCULAR DISEASES**

**with the main topic**

# **PREVENTION, DETECTION AND MANAGEMENT OF CARDIOVASCULAR DISEASES**

**(Hotel "Splendid" - Budva, 24–28 June 2024)**

We are pleased to invite you to participate in the work of the **XV ECPD International Summer School on Cardiovascular Diseases** (hereinafter referred to as: School), which ECPD traditionally organizes with the aim to advance the knowledge of primary care providers, specialists in cardiology and other specialties in the latest scientific and technological developments, as well as guidelines for prevention and treatment of cardiovascular diseases. The program will focus on the latest research, technological advances and case study reviews as well as discussions on the guidelines and latest treatment options regarding prevention, early detection and management of cardiovascular diseases. The School is intended for primary health care doctors and specialists (cardiologists, endocrinologists, internists, pediatricians, etc.).

**President** of the School Council is **Academician Prof. Dr. Vladimir Kanjuh**, SASA, Belgrade, **Director** of the School is **Academician Prof. Dr. Nathan D. Wong**, University of California, USA, and **Co-Directors** are **Academician Prof. Dr. Milan Nedeljković**, President of the Serbian Medical Association, Faculty of Medicine, Belgrade, **Prof. Dr. Ian Graham**, Trinity College, Ireland, **Academician Prof. Dr. Miodrag Ostojić**, SASA, Belgrade and **Academician Prof. Dr. Duško Vulić**, University of Banja Luka.

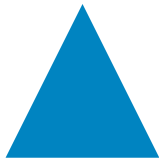

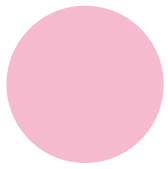

**The School is internationally and nationally accredited. By the Health Council of Serbia, the School is accredited as an International seminar of the 1st category with 14 points for lecturers and 7 points for participants. Accreditation number of the School is A-1-200/24.**

The necessity and justification for this education is confirmed by fact that despite the guidelines for the treatment of acute coronary syndromes, heart failure, atrial fibrillation and prevention of cardiovascular diseases, many patients, especially in the South-East European region remain inadequately treated for risk factors, acute coronary syndromes, heart failure, or atrial fibrillation and adherence to treatments is not optimal. Latest surveys from EUROASPIRE III and EUROASPIRE IV show that many patients with pre-existing coronary artery disease are not on recommended therapies and treatment patterns vary considerably between regions, even within a limited geographic region such as the South-East European (SEE). Data often show that while treatment of individual risk factors may be adequate, combined treatment and goal attainment for multiple risk factors, such as LDL-C, blood pressure and A1C levels together with diabetes is often insufficient, requiring implementation of systemic efforts addressed to all required risk factors both in primary and secondary prevention.

## PRELIMINARY PROGRAM

The **Program** of the School will cover the following topics:

- **Morphologic – Clinical Correlations in Cardiology (Educational quiz – An interactive prize – winning competition of the School's participants)**
- **New US Guidelines for Cardiovascular Disease Prevention**
- **European Guidelines for Cardiovascular Disease Prevention**
- **Strategies for Optimal CVD Risk Reduction in Diabetes**
- **CVD Risk Estimation: European vs. US Approaches**
- **COVID-19 and CVD**
- **Diabetes Mellitus Type 2 and Cardiovascular diseases**
- **The Obesity Epidemic: Strategies for Prevention and Control**
- **US Cholesterol Guidelines and Newer Therapies**
- **ESC Guidelines for Dyslipidemia Management**
- **Cardiometabolism: Time for a New Discipline**
- **Psychosocial Factors and Cardiovascular Disease**

# ECPD

- Auditing of CVD Risk Factors in Secondary Prevention
- Epidemiology of Atrial Fibrillation: Traditional and Nontraditional Factors
- European and New US Guidelines on Hypertension Management
- New Directions in Anticoagulation Therapy for Patients with Atrial Fibrillation
- What is New in Treatment of Resistant Hypertension
- Prevention and Treatment of Heart Failure
- Cardiac Rehabilitation
- Pre-hospital Fibrinolysis and Primary PCI for Treatment of STEMI
- Acute Coronary Syndrome: Optimizing Early Management in Invasively Managed Patients
- Correlation of histo-pathological athero-thrombotic lesions of coronary arteries with clinical entities of acute coronary syndrome and a holistic approach to such a patient
- Tetralogy Fallot – the most common cyanotic congenital heart defect, its morphology and hemodynamics, formative genesis, complications, associated cardiac and extracardiac congenital defects, Blalock – Thomas – Taussig palliative anastomosis, radical correction and its consequences in old age (GUCH = USMO)
- International Best Practices in Prevention, Treatment and Control of CVD
- Pediatric hypertension and Prevention and Control of CVD
- New Guidelines for Revascularization
- Early diagnosis of atherosclerosis and ischemic heart disease
- Role of stress echocardiography in detecting myocardial ischemia in clinical practice
- Myocardial revascularization guided by risk stratification
- Widening of Indications for Transcatheter Aortic Valve Implantation (TAVI)
- Cardiovascular disorders in pregnancy and childbirth

## LIST OF LECTURERS

- **Academician Prof. Dr. Nathan D. Wong**, University of California, Irvine, USA, foreign member of the ASARS Banja Luka
- **Academician Prof. Dr. Vladimir Kanjuh**, SASA Belgrade, ASARS Banja Luka, MAS Budapest
- **Prof. Dr. Ian Graham**, Trinity College, Ireland
- **Academician Prof. Dr. Miodrag Ostojić**, SASA Belgrade, ASARS Banja Luka
- **Academician Prof. Dr. Duško Vulić**, ASARS Banja Luka, Faculty of Medicine, University of Banja Luka

- **Academician Prof. Dr. Milan Nedeljković**, President of the Serbian Medical Association, Clinical Center of Serbia, Faculty of Medicine, Belgrade, foreign member of the ASARS, Banja Luka
- **Academician Prof. Dr. Senka Mesihović-Dinarević**, Chairman of the Board for Cardiovascular pathology ASA Bosnia and Herzegovina
- **Prof. Dr. Dan Gaita**, University of Medicine and Pharmacy, Timisoara, Romania
- **Prof. Dr. Mirza Dilić**, Faculty of Medicine, University of Sarajevo
- **Prof. Dr. Zlatko Fras**, Faculty of Medicine, University of Ljubljana
- **Prof. Dr. Branko Beleslin**, Cardiology Clinic, Clinical Center of Serbia
- **Prof. Dr. Ana Đorđević Dikić**, Clinic of Cardiology, Clinical Center of Serbia
- **Prof. Dr. Milica Lazović**, State University in Novi Pazar
- **Prof. Dr. Marina Deljanin Ilić**, Faculty of Medicine, University of Niš, Director of the Institute Niška Banja – Radon
- **Prof. Dr. Ivan Tasić**, Faculty of Medicine, University of Niš

## SCHOOL ORGANIZATION

The lectures are held every day from 9 a.m. to 3 p.m. The teaching program includes specialized workshops with panel discussions and presentation of practice case studies, based on the comparative principle of the USA, experiences from the EU and Balkan countries.

School participants will obtain appropriate course handouts and reading materials necessary for effective attendance in the School program. The authorized presentations will be published in the 2nd Proceedings of the ECPD UN University for Peace Cardiology School.

## SCHOOL CERTIFICATE

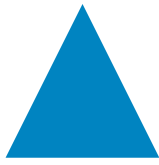

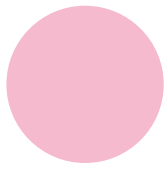

School participants will receive an internationally valid **Certificate of the European Center for Peace and Development (ECPD) University for Peace established by the United Nations** and **Certificate of the European Board for Accreditation in Cardiology (EBAC) which brings 23 CME**, together with the Curriculum of the School and the list of lecturers.

## REGISTRATION FEE AND APPLICATION FORM

The **registration fee** for the ECPD International Summer School is **590 EUR**.

**Application** should be sent to: European Center for Peace and Development UN University for Peace, Terazije 41, 11000 Belgrade, Serbia; Tel: +381 11 3246 041;

E-mail: [office@ecpd.org.rs](mailto:office@ecpd.org.rs); [ecpd@Eunet.rs](mailto:ecpd@Eunet.rs); Website: [www.ecpd.org.rs](http://www.ecpd.org.rs)
